INDEX TO VOL. VI.

A

Page.

A Modern Miracle 172
Aconite 386
Acute Lung Disorders following Hemiplegia 377
Alcoholism as a cause of Epilepsy 557
Amyl, Nitrite of 379
Anæsthetics 383
" Action of 569
Anatomy and Physiology of the Nervous System 146, 352, 538, 752
Anatomy of the Depressor Nerve 360
Anthropoid Apes, Peduncular Tracts of 461, 725
Antagonism of Medicines 131
" between Alcohol and Strychnia 176
Arsenical Treatment of Chorea 177
Atlas, Dislocation of 165
Axis Cylinder and Ganglionic Cell 108
Anatomy, Pathological 158
Alcohol and Strychnia, Antagonism between 176
Ataxia, Locomotor 370
Architecture and Mechanism of the Brain—E. C. Spitzka, M. D. 613
A New Function of the Corpora Quadrigemina—Field and Ott 685
American Neurological Association, Proceedings of 688
Alligator, Histology of Medulla of 708
Anatomy of the Nervous Centres 733
Athetosis 760
Action of Brucine and Strychnine on the Motor Nerves 778

B

Basedow's Disease, Treatment of 383
Blood, Influence of, on the irritability of Muscles 154
Books and Periodicals received 183, 387, 572, 779
Brain, Functions of 146, 541
" Development of After Birth 541
" Communication of the Ventricles with 547
" Localization of Disease of 129, 551
" Subarachnoid Spaces in 547
" Architecture and Mechanism of 613
Bromide of Potassium as a Diuretic 178
" Potassium 769
" " Therapeutical Uses of 384
Bromohydrate of Coniine 774
Brucia 385

C

Contractures in Intra-Ventricular Effusions 370
Cerebral Syphilis 519
Central Nervous System, Ocular Symptoms in Diseases of 548
Corpora Quadrigemina, New Function of 685
Cannabis Indica in Epilepsy 179
Cerebral Accidents from Iodide of Potassium 384
" Convolutions 510
" Electrization 176
" Hemorrhage 171, 724

Page.

Cerebral Topography, by S. V. Clevenger, M. D. 658
" Traumatisms 92, 500
" Thermometry—Landon Carter Gray, M.D., Brooklyn, N. Y. 65
Cerebro-Spinal Axis, Ganglionic Bodies of 1
Cerebellar Diseases 164
Cervical Sympathetic, Wound of 434
Chemistry of the Frog's Heart 148
Chorea, Laryngeal 758
Chorea, Arsenic in 177
Chorea in Hysterical Children 722
Chloral 562
Codeia 564
Color, Hering's Theory of 150
Coniine 179
Coniine, Bromohydrate of 774
Condition of the Muscles in Paralysis 554
Consequences of Section of the Vagus 506
Contributions to Encephalic Anatomy—E. C. Spitzka, M. D., New York 25
Correspondence, Neurological 79
Course of Sweat Nerves and Vaso-Motor Fibres 358
Course of Peripheral Nerve Fibres 543
Cremaster-Reflex—S. Weir Mitchell, M. D., Philadelphia 577
Croton Chloral, Therapeutic Value 568
Cerebro-Spinal Affections, Prodromic Sign of 366
Cavities, formation of in Ganglion Cells in Myelitis 705
Circle of Vieussens, Physiology of 757
Curability of Insanity 763
Conjugate Deviation of the Head and Eyes 764
Cardiac Neuritis 765
Curare in Hydrophobia 773

D

Degeneration of Severed Nerves 162
Depressor Nerve, Anatomy of 360
Development of the Brain after Birth 541
Diagnostic Value of the Tendon-Reflex 362
Diagnosis of Disease of the Spinal Cord 369
Differential Diagnosis of Neurasthenia 367
Digitaline 380, 775
Direct Irritation of Nerve Centres 358
Dislocation of the Atlas 165
Dosage of Electricity 715
Diseases of the Spinal Cord 727
Delirium Tremens 762

E

Editors' Notes on:
Asylum Reform in New York State 530
American Neurological Association 536
Appointment of Dr. Brown-Sequard 144
Archives of Medicine 349
Death of Dr. Benedict Stilling 347
" " Prof. Tardieu 347
" " Dr. Isaac Hays 349
" " Dr. J. M. Woodworth 349
National Catalogue of Medical Literature 145

132165

Page.

Editors' Notes on:
State Pathologist 142
Stevens Triennial Prize 350
Management of the Insane 341
Dr. Hammond 750
Alienist and Neurologist 751
Eclampsia, Pilocarpine in 175
Effects of Strychnia on the Brain, Spinal Cord and Nerves—E. C. Spitzka, M. D. 191
Encephalitis, Infantile 307
Encephalic Anatomy, Contributions to—E. C. Spitzka, M. D., New York . 25
Epilepsy in Children 557
" Syphilitic 167
" Nocturnal 372
" and Epileptiform Seizures 376
" Cannabis Indica in 179
" Trephining in 380
Ergot, in Sunstroke 175
" Hypodermic Injections of, in Neuralgia 176
Electrization, Cerebral 176
Electricity, Dosage of 715
Excitations of Peripheral Nerves 755
Eyes, Origin of Motor Nerves of 757
Early Syphilitic Affections of the Nervous Centres 761

F

Functions of the Brain 146, 541
Frogs, Metalloscopy on 361
Frog's Heart, Chemistry of 148

G

Ganglionic Bodies, Structure and Function of 1
Geissine 180
Gelsemium, Therapeutical Action of ... 175
General Paralysis 133
" " Pathogeny of 167
Gleditschin 174
Gunshot Wound of the Neck 689
Glosso-Labio-Laryngeal Paralysis 705

H

Hay Fever 168
Hallucinations 166
Hering's Theory of Color 150
Hemiplegia, Lung Disorders following. 377
Histology of Peripheral Nerves 108
Histology of Nerve Fibre and Axis Cylinder 108
Hospitals for Insane, Management of ... 441
Hydrophobia 371
Hysterical Reflex Neuroses, Treatment of 178
Hypnotism, Retrograde and Lateral Movements with 291
Histology of Medulla of the Alligator .. 708
Hysterical Children, Chorea in 722
Handwriting, its Physiology and Pathology 737
Hydrophobia, Curare in 773
Hypodermic Injection of Fowler's Solution in Chorea of Children 777

I

Insanity, Juvenile 560
" Masturbation as a Cause 603
" Treatment of by Drugs 180
Incontinence of Urine in Children 373
Infantile Encephalitis—E. C. Spitzka, M. D. 307
Insane Hospitals—Clark Gapen, M. D.. 441
Influence of Physical Agents on the Peripheral Nerves 156
Iodide of Potassium, Cerebral Accidents from 384

Page.

Irritation of Facial Nerve, New Symptom of 375
Intra-Ventricular Effusions, Contractures in 370
Innervation of the Uterus 539
Insanity, Influence of Age, Sex, and Marriage on the Liability to 552
Insanity, Curability of 763
Inebriety as a Disease 766

J

Juvenile Insanity 560

L

Leprosy, Nerve Stretching in 177
Light and Color, Sensations of 150
Local Vaso-Motor Centres 151
Localization of Diseases of the Brain. 129, 551
Localization of Spinal and Cerebral Disease 332
Locomotor Ataxia 370
Localization of Cerebral Disease 332
Laryngeal Chorea 758

M

Masturbation as a Cause of Insanity—A. W. Hagenbach, M. D. 603
Mboundou Poison 379
Metalloscopy and Metallo-therapy .. 567, 712
" on Frogs 361
Medulla Oblongata, Diseases of 102
Menstrual Psychoses 170
Migraine, Ophthalmic 163
Mode of Nerve Termination in the Tact-Corpuscles 151
Moral Nature 514
Muscles, Irritability of 154
Muscular Atrophy, with Sclerosis of the Lateral Columns 56
Myelitis 168, 705
Miracle, A Modern 172
Management of the Insane, Editorial on 341
Mysophobia 556
Morbid Fear as a Symptom of Nervous Disease 693
Muscles, Point of Entrance of Nerve Trunks into 754
Motor Nerves, Action of Brucine on ... 778

N

Nervous Exhaustion 45, 246, 449
Nervous System, Ocular Symptoms in Diseases of 548
Nerve Centres, Direct Irritation of 358
Nerve Centres, Influence of Peripheral Excitations on 755
Nerve Degeneration 357
Nerve Terminations in the Tongue 359
Nerve Termination in the Tact-Corpuscles 151
Nerve Stretching in Leprosy 177
Nerves, Secretory and Trophic Gland .. 354
Nerves in the Voluntary Muscles, Termination of 155
Nerves, Sweat 151
Neurasthenia—G. M. Beard, M. D. 246
Neurasthenia, in its Bodily and Mental Relations—J. S. Jewell, M. D., Chicago 45, 449
Neurasthenia, Differential Diagnosis of, 367
Neurological Correspondence 79
Neuralgia, Treatment of 381
Neuralgia, Hypodermic Injections of Ergot in 176
Neuralgia, Salicylic Acid in 768
Neuritis Migrans 555
Neuritis, Cardiac 765
